The screenshot shows the City of San Leandro Meeting Central calendar interface. At the top is the city logo and navigation tabs for Home, Records, Calendar, City Council, and Committees/Commissions. Below the navigation is a search section with a search box, a year dropdown set to 2013, and a group dropdown set to City Council. There are also checkboxes for 'basic info' and 'notes'. A 'Search Calendar' button and a 'Help' link are also present. The main content is a table of meeting records. Annotations include: a red arrow pointing to the 'Meeting details' column header; blue arrows pointing to 'View past meeting' and 'View live meeting' text; and black arrows pointing from the numbered text on the left to specific parts of the interface: '1) Who?' points to the group dropdown, '2) When?' points to the year dropdown, '3) Leave blank' points to the search box, and '4) Results' points to the table header.

and all other government bodies

The screenshot shows a web browser window with two tabs: 'City of San Leandro - Calendar' and 'City Council on 2013-10-07 ...'. The main content area is split into two panes. The left pane is a video player showing a live stream of a City Council meeting. The video title is 'City Council on 2013-10-07 7:00 ...'. The video player includes a progress bar showing 00:14:44 / 03:44:49, volume and mute controls, and a 'Download' button. Below the video player is a list of agenda items, with item 2.D highlighted in green. The right pane is a document viewer showing the 'Minutes' for the meeting. The document is titled 'Minutes' and contains a list of agenda items. A green arrow points from the video player to the document viewer, indicating that clicking on an agenda item in the video player will open the corresponding document details.

Check all

The screenshot shows the San Leandro Records Search interface. At the top, there are navigation tabs: San Leandro Home, Records, Calendar, City Council, and Committees/Commissions. To the right of these tabs are social media and utility icons: Share, RSS, and Alerts. Below the navigation is a search form with a search box containing 'workplace district study', a date dropdown set to 'This Year', and a type dropdown set to 'All Types'. To the right of the search form are checkboxes for 'file # info', 'text', 'attachments', and 'other', along with an 'Advanced search >>>' link. Below the search form is a paragraph of text: 'This search would generate records dated October 2011 and after. More City records are available in the online records database. For an overview of the database and how to use the system, visit the Public Records Online webpage. For assistance in finding records, please contact the City Clerk's Office at (510) 577-3366 or vchiu@sanleandro.org.' Below this text is a 'Search Records' button and a 'Help' link. Underneath is a table with 13 records, with columns for File #, Type, Status, Final Action, and Title. The first three rows are visible: 13-505 (Minutes, Agenda Ready), 13-503 (Staff Report, Agenda Ready), and 13-480 (Presentation, Received, 10/7/2013). The title for 13-480 is 'Presentation Continued for the Next Generation Workplace District Study Around the New Kaiser Medical Center and the Lit San Leandro Fiber Optic Infrastructure in the Central San Leandro Area'. At the bottom right of the interface is a zoom level indicator set to 100%.

- All meetings and records are in one place! Meeting Central lets you query, or filter, the information to see only what you want.
- When you close Meeting Central, it remembers your last query. If you don't see the information you expect, you might need to change a setting, such as the government body or time period. Or maybe you need to select a different tab, such as the History tab instead of the Text tab in record details, or the Show All Agenda Items tab instead of the Show Legislation Only tab in meeting details.
- Once you make a calendar or records search and see the results you want, you can share them, create a web feed, or create an email alert: click Share, RSS or Alert. There are a many options. The City of San Leandro has no control over the options offered or their functionality.
- For just one example, page 7 shows two types of email alerts. To create alerts, you must sign in. The legislation alert was created by making a records search of the word airport and then clicking the Alerts button. Whenever the word airport is used in a new legislative file, an email is sent. The calendar alert was created by making a calendar search of the Planning Commission and then clicking the Alerts button. When a Planning Commission meeting is added, an email is sent. Multiple emails are sent for a meeting and are triggered by a change to the meeting or the upload of a video or the meeting minutes.
