Departmental Directive

## **CAROTID**

Date: June 9, 2020

### **Departmental Directive**

#### **I. PURPOSE**

This directive modifies current Lexipol Policy 300.3.4 Carotid Control Hold.

#### **II. DIRECTIVE**

Effective immediately and until further notice, the use of the Carotid Control Hold by any department member is hereby suspended. Also effective immediately, the department will no longer teach this technique in use of force or defensive tactics courses. In the near future, we will modify our Use of Force Policy and related training documents to reflect this order.
