San Leandro Police to release community briefing video on last month's officer-involved shooting incident

Today, the San Leandro Police Department will release a community briefing video on last month's officer-involved shooting incident involving 56 year-old San Leandro resident, Anthony Gomez.

The incident occurred on June 11, 2019, when San Leandro Police officers were dispatched to the 600 block of Martin Drive on the report of a man wielding a machete (large knife). One San Leandro Police officer fired one shot at the subject after the man challenged officers and brandished what officers thought was a handgun.

This 15-minute video informs the public on the factual events that led to the incident. The video incorporates a message from the Police Chief, and a narration of the events that include video footage from the officers' body cameras and 9-1-1 audio.

The San Leandro Police Department is committed to transparency and releasing critical incident information to the public.

For questions, please contact SLPD Press Information Officer, Lt. Isaac Benabou at ibenabou@sanleandro.org or by calling 510-577-3272.
