I hope somebody has bullet for this prick? This man is the reason there are murders in his ranks. He makes up a story knowing there is video and keeps a straight face the whole time he spews his lies protecting his piglets

Praying Psalm 108 Over Brave Cops  
Clear case of murder. Cut and dry. In Idaho they start showing up outside of tyrant cops' houses now. Maybe that's something to consider.

No taser, no pepper spray, no baton??? This is clearly murder by a tyrant paid by taxpayers money... but don't worry as per usual they will investigate themselves and clear themselves of any wrongdoing. Then we'll get to hear about how bad this guy was and what not all to try to make the deputy look innocent.

already know the media gon blow this up... I was literally feel away from it. This dude was saying he wanted to die before the police even arrived... he waited for the police to get here while he was swinging a bat. He was threatening to kill the door greeter... people offered to help him and her refused. He was saying everybody was living his life and he didn't care anymore. When the police arrived, dude instantly attacked him and wasn't cooperating... officer pulled out his taser and asked him to step back. Dude attacked the officer with the bat and that's when her shot him with the taser. Dude still attempted to

I hope the cop that shot him catches some hot lead in the head

@SanLeandroPD @jtudorslpd the official report claims the victim was shot only once in the chest and not in the head or back

For anyone wondering this is the video of it happening, you can hear a pop from the first gunshot and see the trail of blood as he backs up, one more pop after he drops the bat and a final pop after he is on the ground not moving.
