## Departmental Directive

### I. PURPOSE

The purpose of this Departmental Directive is to modify current Jail Van transport procedures.

### II. DIRECTIVE

Suspects, prisoners and arrestees being transported in the San Leandro Police Department Jail Van to any court, custody facility, medical facility and/or transported for any reason shall have the following conducted prior to transport:

1. If transporting in hours of dusk, dawn and/or darkness, the vehicle's interior transport location dome light shall be on.
2. The audio system provided to transport Officer(s)/Technicians by Watchguard, shall be turned on and worn by the transporting officer(s) until the transport and custody has been handed to the receiving agency.

By order of

Jeff Tudor  
Chief of Police
