Dispatch Operation Update COVID 19 Precaution

I. PURPOSE

The purpose of this operational update is advise personnel responding to a possible COVID 19 patient or exposure.

II. DIRECTIVE

Any police response requested from Alameda County Fire Department (ACFD) or Alameda County Regional Emergency Communications Center (ACRECC) the Dispatcher will ask if there are in COVID 19 concerns. If there are concerns, the call taker will document in the CAD call "COVID 19 CONCERN". The Dispatcher will advise the unit(s) dispatched to check their MDT for further information. If any responding unit does not have a MDT, they will be advised to call for information.

III. This directive will be in effect immediately and should be followed until directed otherwise.
