The City of San Leandro's FLEX RIDES On Demand Program is offering San Leandro residents ages 60+ FREE Uber transportation to receive COVID-19 vaccinations at any vaccination clinic in Alameda County.

To qualify you must:

- Be a resident of San Leandro and at least 60 years of age.
- Register in FLEX RIDES. Registration in FLEX RIDES also includes unlimited free rides on the FLEX RIDES Shuttle.
- Provide proof of vaccination appointments. Please provide the address of the vaccination site and specify whether appointment will be drive through or walk up. *We strongly encourage walkup appointments in order to ensure driver availability.*

To verify your eligibility and request an application please call Customer Service at 1 (510) 577-3462 or email SLRec@sanleandro.org

For questions about the program, please call Liz Escobar, FLEX RIDES Administrative Assistant at 1 (510) 577-7985 or email LEscobar@sanleandro.org

City of San Leandro will subsidize entire cost of one-way ride to COVID-19 vaccination sites anywhere within Alameda County. This special subsidy will apply to a maximum of 4 one-way trips (each walk up clinic appointment requires two rides).
