

City of San Leandro
CONSTRUCTION & DEMOLITION
FINAL SUMMARY REPORT
SUBMIT FOR FINAL INSPECTION

Building & Safety Division • 835 E. 14th Street, San Leandro, CA 94577

A minimum of 65% of the waste generated by construction & demolition work must be diverted away from landfill disposal through any combination of recycling, salvage or reuse. 2022 CA Green Building Codes 4.408 & 5.408

Residential, Commercial or Industrial projects valued at least \$100,000, must use Green Halo to certify their diversion.
S.L.M.C. 3-7-200
GreenHaloSystems.com

This Summary Report and Diversion Documentation must be submitted to the Building Inspector before sign-off of Final Inspection and issuance of the Certificate of Occupancy or temporary Certificate of Occupancy. Each building permit requires its own separate Summary Report. Email this Report and required documentation below to BuildingInspections@SanLeandro.org.

PROPERTY ADDRESS: _____ Permit #: _____
