

San Leandro Shoreline Park Community Meeting

Did you know that a brand-new Shoreline park is coming to San Leandro?

If you didn't, would you like to know more? If you did, we want to hear your thoughts on the park!

The City of San Leandro invites you to attend any of the public meetings listed below to learn more about the plans for this beautiful shoreline park and comment on how you anticipate enjoying your time there. Also, you will be able to provide input on possible artwork and interpretative signage to be placed in the park.

There will be three meetings in order to accommodate the schedules of all San Leandro community members.

Community Meetings

Wednesday, July 6	2-3:30pm	San Leandro Senior Community Center 13909 E 14th St.
Saturday, July 9	2-3:30pm	San Leandro Public Library 300 Estudillo Ave.
Wednesday, July 13	7-8:30pm	Marina Community Center 15301 Wicks Blvd.

Each meeting will follow the same format, so if one of the dates or times doesn't work for you, just choose from the other two options. If you can't make any of the meetings and still want to comment

on the park design, use your smart phone to scan the QR code on this flyer. This will take you to the project webpage, where you can submit your comment.

A Snapshot of the Park

The proposed Shoreline park would feature:

- Natural green spaces
- Habitat enhancements
- A reflection area
- An extension of the Bay Trail
- A boat launch
- Communal spaces
- Interpretative signage about the Ohlone people, Marina history and native flora
