

SAN LEANDRO RECREATION

Dear Camp Hooty Hoo Families,

Thank you for choosing the City of San Leandro's Camp Hooty Hoo. We are super excited to have you at camp this summer! Our staff has been working hard to plan a variety of activities that are certain to make your child's summer exciting and memorable. We are looking forward to having your child join us for an awesome summer!

Camp Hooty Hoo aims to foster youth development by providing experiences that enable campers to learn to be productive, to connect with others, and to navigate through different situations, settings, and challenges. The program and activities will ensure that campers have the following 6 Cs that they need to succeed: Competence, Confidence, Connection, Character, Caring, and Contribution.

Bonaire Park provides us with a wonderful and adventurous space for your camper to learn from the environment around them and blossom as an individual through those experiences. We look forward to having fun in the park, creating new traditions while also celebrating camp favorites.

We remain dedicated to providing a specially designed day camp program that is safe and fun for our day camp community. Camp Hooty Hoo will be administered in compliance with the current State and County public health orders and will include relevant measures to prevent the spread of COVID-19. This handbook will outline all updated policies and procedures as well as identify additional precautions we will be taking to ensure the health and safety of our camp community. Our main goal is the health and safety of all campers, staff, and families.

Camp Hooty Hoo will include experiences, procedures, and protocols that may be new to some families and staff. To ensure the best possible experience for your camper, we ask that you **carefully review this handbook as it contains important information to help you prepare**. We ask for your patience and understanding as this camp model is continually evolving and procedures may be subject to change based on updated State and County safety guidelines.

If you have questions after reading through the handbook, then please contact Recreation Supervisor, Liz Hodgins at (510) 577-3473 or ehodgins@sanleandro.org.

We hope you and your camper are ready for an awesome, exciting, and memorable summer. We are excited to kick off the summer season and have a hootin' good time at Bonaire Park!

Thank you,

Team Hooty Hoo

Camp Information and Policies

Things to Bring to Camp!

On the first day of camp, please be sure you have completed the emergency information form, parental/guardian agreement, and anti-bullying agreement on ePACT.

- Comfortable clothing that can (and WILL) get dirty – we are outdoors all day!
- Closed-toe shoes – absolutely no sandals or Crocs
- Bag or backpack
- Sunscreen
 - *Please remember to put sunscreen on your camper in the morning – camp staff are not allowed to assist campers in sunscreen application.*
- Beach towel
- Refillable water bottle (water sources on site)
- Two (2) healthy snacks; lunch will be provided but campers are welcome to bring their own food
- Hat
- Strongly recommend face masks/coverings

And of course, camp spirit!

What NOT to Bring to Camp!

Campers should not bring electronics, trading cards, money or toys to camp. The San Leandro Recreation Division, including staff, are NOT responsible for any items that are brought to camp.

Camp Activities & Calendars

A typical day at camp will include activities that ensure campers have the following 6 Cs they need to succeed: Competence, Confidence, Connection, Character, Caring, and Contribution. Staff will lead campers through a series of daily activities like group games, arts and crafts, teambuilding exercises, and special projects. **We will post weekly calendars online that give you a hint as to what the session will hold, including theme days, exciting activities, and crafts.** We aim to include activities that appeal to the interests of all campers, so some activities may be subject to change due to camper input. We encourage campers to dress up for theme days, as participation will have an impact on enhancing the overall camp experience.

Camp Buddies & Small Groups

If you prefer that your child be grouped with a certain friend or family member, there will be an opportunity for that on the first morning of camp. Campers will be separated by age category and then asked to stand next to a person that they would like to be grouped with. Small groups will be formed, and these groups will remain together for the duration of the camp session. We encourage campers to explore new friendships and branch out to other groups. Participants who wish to change groups should inform Nugget, Day Camp Director.

Family Night

We are excited to share that Family Night is back this summer! YAY! Family Night is an awesome opportunity for camp families to gather, socialize, eat dinner, sing songs, and watch camper skits. We will host Family Night on the second Thursday of each session at 6pm.

Snacks and Lunch

All campers must bring their own healthy snacks, as camp does not provide snacks. Please send only non-perishable items, as refrigeration is not available. Thanks to the San Leandro Unified School District, lunch is provided each day. Campers are welcome to bring their own lunch. If you would like your camper to have the provided lunch, then please let us know on the first day at sign in so we can provide a headcount to the lunch provider.

Field Trips/Permission Slips

All children **MUST** have permission for any and all field trips that they wish to attend. Permission slips must be signed through ePACT network. Permission slips are due no later than the morning of the field trip or your child may not be permitted to attend.

Participants will receive a camp shirt the morning of the field trip, and they are required to wear the shirt that entire day. Campers without camp t-shirts will not be allowed to go on field trips and additional t-shirts will not be available. Campers may bring their own spending money, but counselors are not responsible for camper's money. All campers receive their camp t-shirts the day of the field trip even if your child is not going on the field trip.

The program will **NOT** provide care for campers who do not wish to attend the trips or who have not completed the field trip waiver. **Campers must be onsite by 9am on field trip days.**

Camp Shirts

All campers will receive a **one** camp T-shirt for the summer. **Camp shirts must be worn on all field trip days.**

Craft Donations

Hooty Hoo aims to be as sustainable as possible. To create upcycled art, we ask that you please donate any supplies that we can use...think empty TP and paper towel rolls, egg cartons, glass jars, plastic water bottles.

Lost & Found

Please label items with your camper's name so that we can do our best to return lost items to the right camper or guardian. Campers will rotate park locations throughout the day and camp staff will remind campers at every transition to collect all their belongings and do their best to sweep the areas and identify/return missing items. Lost & Found items will be stored at camp for the duration of the summer program. Please contact us at 510-362-4543 to inquire about a lost item.

Late Pick-Up Policy and Fees

Camp Hooty Hoo ends at 6pm on all days unless otherwise noted. If your child remains at the program site after sign-out, then staff will contact the guardians listed on the emergency contact form. Families will be assessed a charge of \$1 per minute after 6pm that the child is not picked up. This fee must be paid in full prior to the next registration. If a child has not been picked up by 6:20pm, the San Leandro Police will be called.

Cancellations

Withdrawals/cancellations must occur before the second day of camp and will result in a \$20 fee to cover materials & supplies. Should a camper miss camp for a medical reason, the refund amount will be on a prorated basis for the remaining days of the session.

Camp Behavior Management Policy

Camp should be an enjoyable experience for all participants and staff. Campers will be expected to follow the rules of the program for their safety as well as the safety of others. Campers who continually disrupt the group or exhibit unacceptable behavior may be removed from activities. In extreme situations, campers may be suspended from the program. If you would like a copy of our behavior management policy, please let us know.

Emergency Information

For the past few summers, we have used an online form to collect emergency information: ePACT. You are required to submit the camper's emergency information and campers cannot participate without the complete submission this form. You will receive an email with instructions on how to complete the online form. Information collected includes (but not limited to) emergency contacts, individuals authorized to pick up, medical information, and other relevant behavioral and health information.

Medication

If your camper must take medication while at camp, then please inform camp staff on the first day of the session. The medication must be in its original container with the prescription clearly labeled by the physician. Please keep medication with your camper and in a secure container.

Illness

Per CDC and Alameda County Public Health guidelines, campers who are/or become ill while at camp will be placed in a safe isolated area where staff will then contact a parent/guardian to come and pick up the camper. The program is not set up to care for ill children, so it is important to tend to your camper in a timely manner.

Camper & Staff Hygiene

Campers and staff will be expected to follow the below protocols regarding hygiene and prevention while at camp:

- Campers and Staff will wash hands often with soap and water, especially if visibly dirty. Hand sanitizer will be used if soap and water is not readily available. Children will be supervised when using hand sanitizer and when washing their hands.
- All campers and staff should cover coughs and sneezes with a tissue or elbow. Used tissues should be thrown in the trash and hands washed immediately with soap and water for at least 20 seconds.
- All children and staff should engage in proper hand hygiene at the following times: before and after eating or handling food, after using the restroom, or after handling garbage. After assisting children with handwashing, staff will also wash their hands.

Water

To prevent heat related illnesses, we will be taking water breaks throughout the day and do most of our activities in the shade. There will also be water onsite for campers.

Evaluations

Camp evaluations will be sent out electronically this summer. Please keep an eye out for an email that will include the link to complete the brief evaluation form. This is one of your opportunities to share your family's experience with us along with any ongoing thoughts or concerns. We encourage you to complete and return evaluations as we value and utilize your feedback.

Camp Staff

All Camp staff are high school graduates and at least 18 years old and have previous experience working with children. Camp staff have passed a background check, are currently certified in CPR and First Aid, TB tested, and have completed 10+ hours of pre-camp training.

Communication

Communication between staff and families is vital to the success of our program. Please feel free to speak with staff about any concerns that you may have. If a meeting becomes necessary, then please contact Recreation Supervisor, Liz "Skippy" Hodgins, who will arrange a meeting. We appreciate your feedback.

Family Concerns

If at any time you are concerned about one of our staff or our program, then please discuss your concern with Liz Hodgins, Recreation Supervisor. Send an email to ehodgins@sanleandro.org or call (510) 577-3473.

Sign In/Out Procedures

For the safety of all our campers, we require that all campers be signed in and out by an authorized adult each day. Camp Staff will be available during sign in and out for any questions or concerns that you may have. Please be prepared to show your valid ID. Thank you for helping us keep your campers safe.

While camp officially starts at 8:30am and ends at 6:00pm, you are welcome to drop-off and pick-up your camper when convenient for your family. However, **campers must be onsite by 9am on field trip days.**

Campers will be permitted to leave with an adult parent/guardian once staff has checked ID, recorded who picked up the camper and at what time. Adults must be on the authorized pick up list.

COVID-19 Related Concerns

Health Screenings

Daily health screenings must be conducted at home every morning prior to dropping off your camper at the park. Children and staff with a temperature of 100°F or higher or are exhibiting any of the following symptoms will not be permitted to attend camp. Symptoms include; cough, shortness of breath, diarrhea, fatigue, headache, muscle aches, nausea, loss of taste or smell, sore throat, and/or vomiting.

Throughout the day, if campers experience symptoms of illness at any point, the San Leandro Recreation Division reserves the right to contact parents/guardians and require immediate pick-up from the program.

Stay home when Sick

Staff and campers should stay home when they are sick. If a camper or staff member has a new cough or other illness symptoms, they should not come to camp even if they have no fever. It is not uncommon for people with COVID-19 to have a cough without fever, especially early in the course of illness.

When It's Safe to Return to Camp

<p>If you have tested positive for COVID, you will need to isolate regardless of vaccination status or lack of symptoms</p>	<ul style="list-style-type: none">• Stay home for at least 5 days.• Isolation can end after Day 5 if symptoms are not present or are resolving and a diagnostic test (antigen preferred) is negative.• If unable to test or choose not to test, it is best to isolate through Day 10.• If fever is present, isolation should continue until fever has resolved for at least 24 hours (without the use of fever-reducing medications, such as Tylenol/ibuprofen).• If other symptoms are not resolving, continue to isolate until symptoms are resolving or until after Day 10.• Wear a well-fitting mask around others for a total of 10 days, especially in indoor settings.

ANTI-BULLYING POLICY AGREEMENT

Bullying is when one or more people exclude, tease, taunt, gossip, hit, kick, or put down another person with the intent to hurt another either physically, emotionally, or psychologically. Bullying happens when a person or group of people want to have power over another and use their power to get their way, at the expense of someone else. Bullying can also happen through cyberspace: through the use of e-mails, text messaging, instant messaging, and other less direct methods. This type of bullying can also lead to persons being hurt during or between the camp seasons and be especially hurtful when persons are targeted with meanness and exclusion.

At Camp Hooty Hoo, bullying is inexcusable, and we have a firm policy against all types of bullying. Our camp philosophy is based on our mission statement which ensures that every camper has the opportunity to have fun, make new friendships and life experiences. We work together as a team to ensure that campers gain self-confidence, make new friends, and go home with great memories.

Unfortunately, persons who are bullied may not have the same potential to get the most out of their camp experience. Our leadership addresses all incidents of bullying seriously and trains staff to promote communication with their staff and their campers so both staff and campers will be comfortable alerting us to any problems during their camp experience and between camp seasons. Every person has the right to expect to have the best possible experience at camp, and by working together as a team to identify and manage bullying, we can help ensure that all campers and staff have a great summer within the City of San Leandro summer camp programs.

I have read this policy with my child and understand that any form of bullying will not be tolerated within the City of San Leandro Summer Camp Programs.
