(a) DIRECT COST DEPOSITS AND DEPOSIT REPLENISHMENT				
Applicants for Full Cost Entitlement Applications shall pay for all City staff time, including legal costs, as well as any costs for consultants required to process the application. An Agreement for Payment of Fees for Application Processing shall be submitted with the project application.			Applicants for Full Cost Entitlement Applications shall pay for all City staff time, including legal costs, as well as any costs for consultants required to process the application. An Agreement for Payment of Fees for Application Processing shall be submitted with the project application.	fee proposed to remain unchanged
Initial deposits, as shown on the fee schedule, will be collected and held by the City in a deposit account at the time the application is submitted. The cost of staff time and legal costs will be drawn from the deposit account. A positive account balance shall be maintained at all times during the review process. No work will be performed on a project with a negative fund balance. If the deposit is reduced below 20% of the initial deposit amount, the applicant will be notified and required to supplement the deposit account with an additional amount no less than 50% of the original amount. Funds expended for staff time shall not be dependent upon the City's approval or disapproval of the application request. Planning Direct Costs are calculated as follows: hourly wage rate multiplied by a factor of 3.38 to account for benefits, indirect overhead charges and staff support charges. The deposit account will be held open for 90 days after project approval for City to complete any miscellaneous clean-up items and to account for all project-related costs. Any deposit amounts remaining after final project close out, will be returned to the applicant.
