The City of San Leandro is exploring additional housing protections for its renters, such as an expanded rent stabilization ordinance. The City is still in the early stages of this exploration, and your input is crucial in helping the City move forward. The City seeks public feedback on what this would look like in San Leandro.

**San Leandro residents  
and housing providers are  
encouraged to attend.**

San Leandro renter / landlord organizations: please share this flyer with your members.

Simultaneous interpretation in Spanish, Cantonese, and Mandarin will be available.

If you cannot attend on October 10, the City will be conducting an in person community meeting at the San Leandro Senior Community Center located at 13909 East 14th Street on Wednesday, October 25, from 6:30 pm to 8:30 pm.
