A longtime San Leandro resident, I take pride in being an active community volunteer. Where I've seen a need to take positive action, I've jumped in to make San Leandro a better place.

As Founder and President of San Leandro Education Foundation, I led the effort to raise over \$600,000 for our schools. I will continue providing opportunities for young people and advancing the city-schools partnership.

Our neighborhoods need a voice and I'm proud of my five years as President of the Estudillo Neighborhood Association. I'm committed to keeping our neighborhoods safe, ensuring police and fire remain a priority.

San Leandro must also be an economically vibrant city, with a thriving downtown, diversity of shops, and continued access for all to city services.

As Chair of the Human Services Commission, I work with the Council on ways to best serve residents, directing over \$1,200,000 to local organizations for mental health, meals for seniors, and support for women and children.

Building partnerships that advance our community, I have been listening to community concerns and making a difference in San Leandro. I am humbled to have the support of District 1 Councilmember Michael Gregory. I would be honored to serve you on the City Council.
